

Lamoine RSU Withdrawal Committee Meeting
December 13, 2012

Attendees: Gordon, Donaldson

Gary McFarland
Doug Stewart

Meeting called to order at 6:40 PM

Welcomed the members of the Hancock
Withdrawal Committee

The general objective of the meeting
was to compare language and
determine if we could establish
any common positions

It was agreed we would accept the
language in Section 12 as put forth
by the RSU

The discussion of the Balance
Forward issues in 12-1-C was
not resolved at the earlier meeting
in Summer and we need clarification
of the terms Unallocated and
Undesignated by the RSU and we would

submit new language

We would request consider contracting
for some services in RSU where we
could realize some cost efficiencies,

We would need to get clarification of treatment
of resigning RSU 24 employees and
disposition of compensating who gets
refunds, and how it would be calculated.

There was some discussion how
transferring students would be treated
in the first 10 years following withdrawal
from the RSU

We would request from RSU 24
how undesignated fund balances would
be calculated

We would request RSU 24 to
specify what statutes they are
referring to when they indicate
"you can't do that."

Meeting adjourned at 8:30
